

## **Ladies Section Report for County Weston Team**

Bury St Edmunds Ladies Weston team faced a very tough away match at Ipswich on a very pleasant summers day.

Alice Barlow played some exceptional golf with plenty of birdies and even so was two down stood on the 17<sup>th</sup> tee. However, her opponent, Abbie Symonds, was in trouble down the 17<sup>th</sup>, and also by missing a short putt on the 18<sup>th</sup> failed to close out the match. At the first extra hole Alice hit a wayward drive and her recovery shot unfortunately found a bunker so with a steady par Abbie won that game.

Georgia Parker came up against an in-form Sharon Luckman and that match finished on the 15<sup>th</sup> hole. Bev Allen and Lynne Wright put up a good fight in their respective matches, but both of these finished on the 16<sup>th</sup> hole. Bury's only win of the day went to Mariette Robbertse by 4&3 against Helen Bray. So overall a strong Ipswich team, where home advantage always helps, won 4-1. The next match is Saturday 20 July at home to Rookery Park.
