

Bury St Edmunds Golf Club

The club's Vision and Mission statements, together with our statement of core values, guides our committees and management team in all of our decision-making.

Our Vision:

We aim to be at the forefront in providing a high quality, value for money golfing and social experience for members and visitors

Our Mission:

Bury St Edmunds Golf Club will remain a member club providing a high-quality golfing experience, attracting players of all ages and abilities. This will be achieved by having:

Golf courses that are a challenging test of golf yet enjoyable for golfers of all abilities

A high quality and comfortable club house with first class hospitality and a variety of social events

An efficiently managed business that has sound financial foundations

Our Values – We will strive to:

Be responsive to members needs based on mutual respect between the members, the staff, the management and the rules of golf 'the club where you always get a game'

Be welcoming, friendly, relaxed and inclusive

Provide open, transparent and accountable decision making

Offer honesty, integrity and fair dealings with members, visitors and all stakeholders

Be committed to provision of a safe and healthy environment

Offer a friendly service from a well-trained and talented team of staff
